

Due to popular demand Hunza are now producing a SQUARE Shroud accessory that can be fitted to new or existing Pillar Lites and Wall Down Lites. This shroud fits neatly over the existing cylindrical body of the fitting.

When a more contemporary look is required, this is definitely the answer.

Available in all standard finishes, Copper, 316 Stainless Steel and a choice of 10 Powdercoated finishes on Aluminium

Please use the product code PIL/SHROUD/## or DL/SHROUD/## when placing your orders.
